Paid her off in the eve $3.00 preparatory to discharging her to morrow. Harriet came down at noon with more of her home difficulties and took me aside and wanted to have me tell her just what I thought of her. I talked plainly with her more so than I had ever done before. I hurt her feelings. she felt badly. but I felt it my duty to tell her the truth. I told her where I thought the difficulty lay. I considered her in the wrong as well as our folks. but I think that I accused her of no more than she was guilty of. She told me that I abused her. that I was no Brother to her but notwithstanding this I felt it my duty to talk plainly with her for once.
