The First Woman Voter

10²/₅ Mrs. Emma Heath Took the Oath and
Was Registered this Afternoon.

Mrs. Emma Heath is the first woman to be made a voter in Danbury under the new law.

Mrs. Heath called at the town clerk's office at two o'clock this afternoon and signified her desire to become a voter. She ^{was} asked the following questions by Thomas Q. Barnum, the assistant town clerk.

Where were you born? How long have you been in this country? How long have you been in this state? Can you read? What is your age?

The new law says that every woman who has attained the age of 21 years, who shall be a citizen of this state or of the United States, and who shall have resided in the state one year and in the town for six months and can read the English language, shall have the right to vote at any meeting held for the purpose of choosing any officers of schools for educational purposes. They also have the right to vote for school officers in town meeting, but nothing else.

All elections there will be a box marked "For Women's Ballots."

Any woman who, on taking the oath, shall testify falsely concerning her qualification or shall knowingly vote illegally at any school or town meeting will upon convictions be fined fifty dollars or imprisoned thirty days.
