

TRANSPORTATION INFORMATIONTrain Service

Four special trains will be operated from Region One to Washington on June 29th and returning on July 10th. Councils not located on the route of the special trains will be provided with regular connecting trains to junction points, or will make their own arrangements by bus or private cars in the absence of connecting train service.

These special trains are designated as follows:

<u>Name of Special Train</u>	<u>Starting Point</u>	<u>Route</u>
1. The Yankee Red	Portland	B&M RR to Worcester, NYNH&H to New York, Penn. RR to Washington
2. The Yankee Blue	Boston	NYNH&H RR to New York, Penn. RR to Washington
3. The Yankee Yellow	Boston	B&A RR to Springfield, NYNH&H RR to New York, Penn. RR to Washington
4. The Yankee Green	Springfield	NYNH&H RR to New York, Penn. RR to Washington

The round trip schedules for each train will be found on the following pages in Eastern Standard Time. ADD ONE HOUR FOR DAYLIGHT SAVING TIME. Washington is on Standard Time. In these schedules is listed the name of each Council, with the number expected to be going and returning. Should there be any considerable change in the number of passengers, or if the arrangements described in the following pages are not satisfactory in every detail, it is essential that the Region One office be notified IMMEDIATELY.

Each Council will be assigned to a certain car or cars, which will be numbered, and this information will be forwarded in due course.

All special trains from Region One will operate to and from the Rosslyn Branch of the Pennsylvania Railroad, which is about five minutes walk from Columbia Island, site of Region One's camp (Sections D and E).

See Cover Map.

Tickets

A Railroad Identification Certificate is attached to each official Jamboree Certificate of Identification, and will be forwarded by the Home Office to the Scout Executive. The Railroad Identification Certificate must be presented to your local ticket agent for each ticket purchased. All tickets for each group should be purchased at one time, and at least one day in advance of departure. Meal coupons are included in the tickets.

Where persons are returning to points other than points of departure, tickets should read from the furthest points. This information, along with points at which each Council should purchase tickets, is outlined on Page 4. If any change in these arrangements is desired, communicate IMMEDIATELY with the Region One Office.

Passes

Railroad passes should read according to the route of the train used. Those holding passes should settle for meals in cash at time of service. A collection of thirteen (13) cents will be made by the transfer company handling the Boy Scout service for the Washington rail line upon presentation of Boy Scout Jamboree Identification and railroad pass.

Meal Service

On the trip to Washington evening dinner will be served in dining cars to all passengers. On the return trip, a box luncheon will be served at Noon to everyone on the train between Washington and New York.

Noon luncheon on the trip to Washington will be served to those delegations indicated on Page 4. Evening dinner on the return trip from Washington will be served to those delegations indicated on Page 4.

Any Council not listed on Page 4 for noon lunch enroute to Washington or evening dinner enroute from Washington which desires one or both of these meals should notify the Region One office IMMEDIATELY.

Each railroad ticket will contain the necessary meal coupons to cover the number of meals desired by the individual Council.

Meal prices do not include tips for waiters, and it is suggested that the leader of each delegation give the dining car steward a sum equal to five cents for each luncheon served and ten cents for each dinner served. The steward will divide this among the waiters.

Those traveling on passes will pay in cash for meals when they are served. Luncheon is fifty cents and dinner is seventy-five cents.

Baggage

From points which are not on the route of the special trains, connecting baggage service or trucks should be used, and in all other instances baggage should be loaded upon arrival of the special trains at stations located along the respective route of each train.

Baggage cars will be at the head end of all trains.

Baggage to be placed in the baggage car of each special train will, upon arrival of Scouts at the railroad station, be placed on trucks designated by railroad representative for loading. A Scout detail should remain

with this baggage until it is loaded. It is suggested that this baggage detail be made up of Scouts who are not going to Washington.

Each Scout will carry his own pack and musical instruments into the passenger coach. No such baggage will be put in baggage cars.

Baggage Identification Tags for EACH piece of baggage will be mailed to each Council as soon as the Council sends the Regional Office the "Baggage Information Sheet" requested by the Regional Office on June 14th. No baggage tags can be sent until the Regional Office receives the "Baggage Information Sheet".

Similar baggage arrangements will apply on the return trip.

There will be opportunity for advance loading of baggage at Boston and Bangor as follows:

A baggage car will be placed at the station in Bangor and should be loaded by the Katahdin Council by 5:30 AM, E.S.T., June 28th. It will be placed at the Portland Station early the following morning, June 29th, for loading by the Pine Tree Council, and go forward in the Red Special Train at 5:25 AM, E.S.T., the same morning, June 29th.

A baggage car for the Blue Train and one for the Yellow Train will be placed in the Express Yards, Atlantic Avenue, South Station, Boston, for loading on the afternoon of June 28th for those Councils leaving on these trains from Boston the following morning. The Station Master or Baggage Master will designate the location of these cars. Each Council should be careful to get its baggage in the car which will go on its train.

Advance Groups

Arrangements for advance groups will be forwarded to those involved separately in detail.

FALL RIVER and CACHALOT will leave on the Colonial Express from Providence on June 26th, returning on the Blue Special from Washington on July 10th.

NORTH SHORE will leave on the Colonial Express from Boston on June 27th with the WORLD JAMBOREE group, returning on the Colonial Express from Washington on July 10th.
