## Opportunity For Seniors to See New England

The Seniors are planning a joint literature and geography trip to Vermont on October 30 and 31. They will follow the same route as covered by the Seniors of last year, going as far as Bennington, Vermont, and returning over the Mohawk Trail if there is no snow. The trip is open to all Seniors and the particulars are posted on the bulletin board. If you decide to go, notify either Miss Rogers or Miss Sachsenhauser as soon as possible. Miss Harrison and Mr. Finch will accompany the girls.

Besides having a good time you will be made familiar with many points of literary interest by Miss Harrison while Mr. Finch will help you to observe the geographical factors of western and central New England.

## Professor Mearns Speaks at Westport

"The Voice of the Individual Pupil" was the title of the address delivered by Professor Hugh Mearns at the Bridge Street School Auditorium in Saugatuck, Wednesday night. It was given under the auspices of the Parent Teachers Association and had to do with the creative aspects of the child.

## Nature Club

The Nature Club held its first meeting, Thursday, October 1st. At this meeting various activities were suggested for the coming year.

A hike over the Nature Trail was planned for this week.

It was decided to sell candy certain nights in the week at the Hall in order to make money for the cabin. The club promises to have a full and interesting program.

## Dramatic Club

The Dramatic Club held its first meeting of the school year on Thursday of last week. Plans were made regarding the activities of the club. It was decided that more plays would be given this year.

A trip to New York to see a play was discussed and the month for going was tentatively set as November.

A short play was read during the meeting and approved as worthy of being given. Work has already begun under the direction of Miss Harrison.

## A. A. Notes

The A. A. has already had two meetings.

Several of the members enjoyed a supper-hike to Lake Candlewood the first week of school.

The senior board members have been elected and the junior board members will be elected soon.

A tennis tournament has been started. This tournament will continue until the weather becomes too cold.

Volley ball games will be played soon. Each division will organize a volley ball team for the season.

#### Retrospection

There was a time when lamps  
burned bright  
And old folks sat and sadly  
droned;  
And each retold his own dear  
plight  
Like ghosts of old, or sons  
disowned.

Then youth would take himself  
away  
To dream and strum the dream-  
er's eyre;  
For gallant knight seemed  
childish play  
And land and gold were heart's  
desire.

So Midas was the king once more  
and Croesus feats a weakling's  
score.

Let others retell the world's  
old faults,  
I placed my hopes and dreams  
in vaults.

But now when candles flicker  
and wane,  
And dust reverts to dust again  
When strife for worldly gain  
is done,  
I'm glad at least my hopes  
had fun.
