

his was a year of balloons . . . TKE's hot air rides at homecoming and balloon-lined sidewalks at President Roach's inauguration; a year of new presidents, the "storm of the century," of athletic accomplishment, of campus construction and World Trade Center destruction. This was a year of memories . . . Remember walking in or our of White Hall and hearing music students practicing or seeing "BAKE SALE" signs on the doors; cars lined up in the parking lots in the constant battle of finding parking spaces, getting a ticket for being illegally parked. Mike's Towing taking cars away: basketballs hitting the floor during practice in the gym, grunts on the football field and the crooked letters in the display case out in front of the student center. How about the snail's pace construction of the new field house on Westside. Construction, construction and more construction. Colorful and cluttered bulletin boards, creaky stairs in Old Main and the twisty line to register in the basement; the annovance of paying \$48 for a textbook and getting only \$8 in book returns, Daka's great cafeteria food, broken copy machines and hot temperatures in the library. Remember bot dorm rooms and wearing shorts all winter, having one suitcase filled with dirty laundry to take home for the weekend, always forgetting the security code, microwayes in the closers and floods in the laundry room. Remember the plays, the comedians, art shows, music concerts. THE ECHO'S timely news. WXCI always on the air, the mock trial, St. Patty's Day bag piper, the remodeled snack bar, George Sams or Wendy's for lunch; the quiet of Westside and walking forever to your car, Remember eating outside on the first wonderful day of spring after the "mother" of all winters. Remember scrambling and cramming for finals. Remember graduating and seeing friends graduate on that special day filled with pride and excitement; the beautiful weather, the theme song from "Cheers" and the sadness of saving goodbye.

estern's campus is a mixture of the old and new:
(clockwise from left to right) the Ancell School of
Business at Westslee on a snowy day, the steps of
Old Main under the dogwood, the tower of Fairfield Hall as seen
from the library walf, fail colors in the distance through the skylight
at Ancell School of Business; berries and new snow outside the Haas
Library.

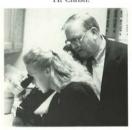

Hi Christi!

I have that your education at Western has enciched your lives and gregared you for the inevitable changes the favor aways briegs. The class of 1993 is an acceptionally in the control of the control of the control of the is adopt to changing circumstances and to confront the issues of the list century.

Our interest in you will continue after graduation, and I urge you to become an active member of the Alueni Association, we hope that you will support the university in the years sheed in its cultural, educational, and athletic events.

Good luck and heat wishes.

Sincerely.

James R. Roach

At Dr. Roach's inauguration, bagpiper, Dr. David Machell, led a procession to the gymnasium where a gala reception was held with tables of sweets, cheeses and punch. Music at both the reception and cremony was provided by students, staff and professional musicians.

he inauguration of Dr. James R. Roach, the seventh President of WCSU took place on Wednesday, October 28. Classes were cancelled in the afremoon so the Western Community could attend the prestigious, formal ceremony. The arrending dignitaries included Governor Lowell P. Weicker, Jr., Danbury Mayor Gene Eriquez, and President of the Connecticut State University, Dallas K. Beal, in addition to over 300 members of the academic community, politicians, 300 students and friends. President Roach received the University medallion and wooden mace symbolizing the President's power. Following the ceremony, students dotted a path holding bright, colorful balloons.

◆ he school year began on August 28 with orientation for new nonrraditional students (25 and over) learning how to juggle academics, home life and, for some, a job also.

Opening days of school mean friendships and a chance to hang our.

WELCOME OLD AND NEW

TO THE FALL OF '92

he orientation weekend was crammed with new friends, learning what college life was all about meeting some administration types, mall shopping and volleyball in the sand.

ORIENTATION

leaders welcomed new students with games, workshops and picnics on Saturday, August 29. Returning students arrived on Sunday, August 30, and clubs carnival introduced everyone to clubs, organizations and the GREEKS on campus. Classes began on August 31.

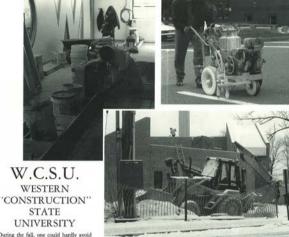

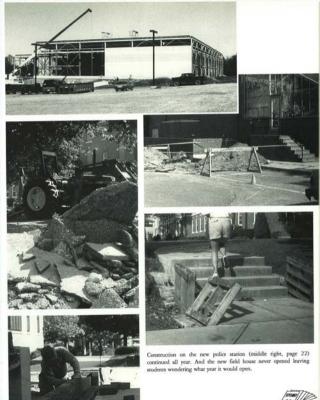

UNIVERSITY During the fall, one could hardly avoid some construction while walking from one building to another; mostly sidewalk construction and brick wall additions. There was also the commuter cafeteria kitchen (above) that was under renovation for over two months bumping students upstairs to eat in the faculty

mid-semester, with a new face lift.

WOMEN'S SOCCER

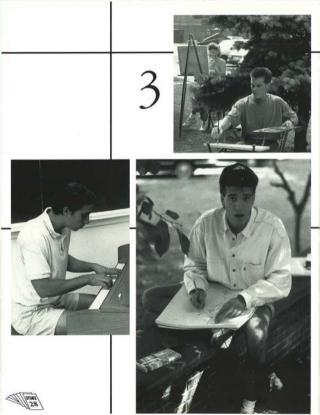

Western women's soccer, while still a club sport, has the potential to grow to the variety level. This season, they had a tought 16-game schedule against vastily teams. The team, a mix of new players and veterans from high school and college, because of its clab stanus, was almowed no preseason warm-up or trecruing. "We were not embarrassed by anyone," stad Coach Rich Molinaro. Lisa Abbott, goalie, was exceptional; one of the finest on only level.

R.I.T. (Quarter finals)

Sophomore forward John Benitez (pictured right) was selected to the first team of the 1992 NSCAA/Umbro Division III all-New England Team. He netted a teamhigh 14 goals, had a team-high 17 assists for 45 points in 23 games, scored 5 game-winning goals and averaged 89 minutes a game. Junior midfielder, Niclas Hjerth (pictured left), was selected to the second team of the 1992 NSCAA/Umbro Division III all-New England Team. Niclas was second on the Colonial team with nine goals, 10 assists and 28 points.

Coach Wayne Mones (pictured left) was selected NCAA Division III Regional Coach of the Year. This was his 5th season at Western leading the Colonials to their best-ever season advancing to the quarter finals championship and the 5th time going to the NCAA playoffs.

he sciences at Western are alive and well with some of the most dynamic and growing programs in the university. There have been dramatic renovations and improvements in the equipment and in the labs. "In many ways, we're on the cutting edge," said Dr. Paul S. Hines of the Chemistry department. There's a new Boehringer Ingelheim biochemistry laboratory and the facility to do electron microscopy. Astronomy has a new telescope. The mereorology major at Western is the only one in the state. Biology has a new clean room, a state-of-the-art microscopy laboratory for cell and tissue culture with black and white and color TV cameras and monitors for computer analysis of images. Biotechnology received the largest grant ever given at Western. The sciences, here, are increasingly being recognized by external groups. Students have gone on to some of the finest graduate programs in the sciences and health professions, nationwide; Columbia, Harvard, Penn, Tufts, Purdue, Kansas and Iowa, to name a few.

Western had a young, new women's tennis team with incoming freshmen, Shannon Mays and Marie Lampeloquino playing 1 and 2 respectively. It was a completely rebuilt team from scratch, with the exception of Nicole Rodrigue, the only returning player. Considering the record, it was a successful year against some tough competition.

Quincentennial Calabration

16

n October 8 and 9. Western held a OUINCENTENNIAL CELEBRATION in conjunction with the Columbus Day holiday. The symposium focused on "The New Age of Exploration: The Next 500 Years." The keynote address, "Science and Politics in China," was given by Professor Li-Zhi Fang, a noted astrophysicist and human rights activist. He spoke specifically about conflicts between scientists and communist authorities in China and future consequences. Other activities included poetry readings, papers presented by faculty on various subjects such as molecules for the future, AIDS, the history of stars, the new mathematics of the 15th Century, utility stocks, oceanography and building a new world. Special events included a faculty, staff and student art exhibit and a graphics show. Future events, tied to the program but scheduled at a later date, included the play, "Death of a Salesman," a piano recital by Howard Tuvelle, playing Chopin and Rachmaninoff, and a concert by the Manhattan String Quartet.

In the Eastern College Athletic Conference, two players were named to the ECAC/Budget Division III New England All-Star team. Senior Middle linebacker Bill Bryce #43 and Senior corner back Larry Overby #4 were selected to the second team. Bill ended his collegiate career as Western's all-time career tackler with 428 total tackles in four seasons. Larry, a corner back, was named to the second team as a return specialist. In 10 games he returned 30 kick offs for 767 yards and a school-record three touchdowns. The TD returns came from 87, 89 and 90 yards. His two longest run backs set a new school mark and tied a national record!

estivities officially began with the bonfire, a crisp night welcome, at the practice field. Later at Ives Auditorium, hypnorist Tom DeLuca mesmerized a captive audience for two hours performing card games and placing many students in a trance believing - among many things - they were professional dancers from Las Vegas. The next day clubs and organizations provided food, fun and frolic at the traditional Street Fair on 7th Avenue in front of the Student Center, Highlights: Tau Kappa Epsilon's scenic aerial campus views in a hot air balloon ride, Sigma Pi's oatmeal pie toss, Newman Club's south of the border treats, Sigma Chi's dunking machine, the Echo's "Cheap Sex" raffle of Madonna's book SEX and the WestConn Creative Theatre's reenactment of the trials and tribulations of medieval life.

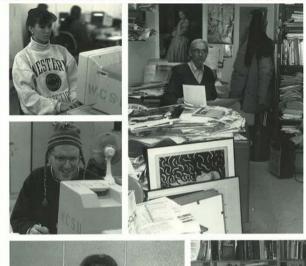

anner contess winners were announced during the Street Fair. First place was a tie between Prisma Arr Club and Litchfield Hall and third place went or Alpha Delta Pi. The Colonial cheerleaders, marching band and forbothal team keep fans cheering on a cold, damp afternoon to victory over SUNY-Sensy Brook.

October saw midterms, busy computer terminals, cluttered offices, a mock trial for "alcohol awareness week" and other strange phenomena.

The transsphere on campus is always charged with the activities and accomplishments of various artists, scientists and musicians. Margarier Grimes (pictured below), of the art department, became Western's third CSU professor. Candidates are recommended for this precisions honor on the basis of outstanding advicement in their respective fields of expertise. It would be most fitting or quote senior Tom Abate, who took Margaret Grimes Drawing I class: "I remember the first day of class. This possessed woman with fite in her eyes and a vicious wit was going to the contract may part. She did when her first words were callous ones that sades who the political science major was. I raised my hand and she said I would forever change my outdook on life after taking the class: ... I learned to open my eyes, see the world, smell the scents of nature and listen to the sounds of the earth"

Dr. Dennis Dawson, associate chairperson of the Department of Physics and Autronomy, and students Jennifer Howard and Jose Herrero (lower left, page 60, traveled to Plagstaff, Arizona for six nights of research at the National Undergraduate Research Observatory (NURO). The observatory offers unique opportunities for undergraduates to work directly with modern astronomical equipment and professional astronomers to obtain data about such phenomena as trare pulsating stars in our galaxy.

Music faculty member David Smith (pictured left), assisted by the percussion ensemble, provided an evening of fine entertainment featuring selections by, among others, Paul Kefler, John Cage and George and Ira Gershwin.

17

A-mile Run for Fitness took place on November 15 as a benefit for the Dorothy Day Hospitality House. Co-spousoes, Coach Ted Hines and Sigma Fi farentily, registered approximate-by 150 participants. A 34-year old teacher from Canterbury School in New Miliford, Joie Martinez (bottom left), was the win-ner. The three top Western unners were from left to right: Mile Torora, Scott Clayron, and Grant Johnson.

This was a season that showed a lot of promise for the future. With five freshmen and one sophomore, the Western women had one of the toughest schedules in Division 3 in New England. "This season was successful, considering we're the youngest ream with the toughest schedule," said Coach Rich Myers.

"We're proud of our academics." The team boasts a 2.8 average. Outstanding players: Gina Barone, used exclusively as the setter and Kim Setter, middle blocker.

Babson (NCAA's)

WOMEN'S BASKETBALL

Western women's baskeeball had a good season, going beyond their initial expectations. This year's women's team was small in both stature and number. The tallest starter was 5 feet 9 inches tall, and there were only 10 players. They inches tall, and there were only 10 players. They started off strong and kept going all the way through. A relatively young bench and a lot of road games made it a tough season. Coach Jody Rajcula said, "We have a great group of young women. Our record 20-5, 19 on the road is a credit to them. It was tough but fun because we put ourselves in a position to host the NCAA." Next year Western joins the Little East Conference, giving them more home games.

At the final women's basketbull home game, coach Jody Rajoula was honced in recognition of achieving her 200th victory earlier in the season. In 12 seasons, coach Rajoula, the winningest coach in Western history, compiled an impressive 212-79 record. Also honored were the graduating seniors, Tricia Blood, La Shond. Commodore, Kathy Hill and Kelly Kindle (bottom left, this page), who scored her career 1000th point against Bidgeware State.

s the semester came to a close down, the campus celebrated the upcoming holidays with decorations, parties and programs. In a recognition ceremony in Ives auditorium on December 13th, Western honored its mid-year graduates, who were also able to participate in commencement exercises on May 23rd.

Amidst flowers and congratulations, graduates, families and friends gathered at a reception immediately following the ceremony.

		THE RESIDENCE OF THE PARTY OF T

"Our lives are composed of sameness and differentness: certain details are repeated again and again, others are new. Music mirrors this dualism. Its basic law of structure is repetition and contrast unity and variety. Repetition fixes the material in our minds and ministers to our need for the familiar. Contrast sustains our interest and feeds our love of change."

THE ENJOYMENT OF MUSIC, by Machlis/Forney, p.21 Textbook for Mus 100: History and Appreciation of Music

FACULTY STAFF, ETC.

The month of January offers students a break between classes. Most leave the campus to go home and recoup for the spring semester. The students get a vacation but many of the faculty, staff and administration continue working. There are currently about 185 full-time faculty. The majority bed doctoral or other terminal degrees (72.3%). There are approximately 235 part-time faculty who offer a variety of backgrounds and experiences and contribute to the University's academic programs through their on-the-job expertise in a variety of fields. There are also about 230 full-time staff, clerical and maintenace employees. Without these dedicated people, the University would not operate.

"February"

Love, Amour, Chocolates, Flowers
Feelings, nothing more than

Trying to unload our hearts, With expressions of love, Created, to provide man with

To shed that fragile male ego,

And expose his true feelings

feelings,

one day,

terry bower

to the world.

MEN'S BASKETBALL

Western men's baskerball finished the season with a 20-6 record, which made this their fifth straight year winning 20 or more games. The men had two winning streaks where they won eight in a row. They also won three out of five tournaments and made it to the second round of the ECAC where they lost to Colby College, According to Coach Bob Campbell, "It was a relatively mature team. We're losing only two graduating seniors," said Coach Campbell, "The team performed as expected. Our goal every year is to make the NCAA. It was not a disappointing year." Two players, Lonnie Brooks and Paul Ellis, scored career totals of 1000 points.

he University celebrated Black History month in February with many events and a keynore speaker, Dr. Franklyn G. Jenifer, President of Howard University in Washington, DC, whose address was entitled "African Americans: A New Agenda for the New Millenium."

On February 6, the Danbury chapter of Coalition of Black Women co-sponsored a musical about African American history, entitled "The Knowledge."

Black Alumni Student Weekend, "How to Succeed In and Out of College," was held on February 20.

Journalist Wallace Terry spoke before a crowd of 300 on February 22 at Ives Auditorium decrying the lack of Black roles in war films.

Several round table discussions were held on topics such as "Religion and the Black Community," "The Legacy of Martin and Malcolm" and "Perspective of the Performance Artist."

PAC sponsored Bertice Berry's lecture, "Can't Live With Them, Can't Live Without Them."

On March 13 the Indiana University Afro-American Choral Ensemble was scheduled to perform but had to be cancelled due to a snow storm. A snow storm also prevented Affinity Reggae concert from performing.

ebruary was a month of snow and melting snow (left, page 112), the play, WHOSE LIFE IS IT ANYWAY? (this page) and walkin forests next to giant clothes lines (bottom left, page 112). Neil Hansen, senior graphic design (bottom right, page 112, under the palm tree) had the distinct honor of winning first place in painting at the Connecticut State University Student Art Exhibition held at Central Connecticut State University at New Britain.

Fencing, badminton, guitar recitals and the pool ping-pong tournaments were some of the many campus activities scheduled during February.

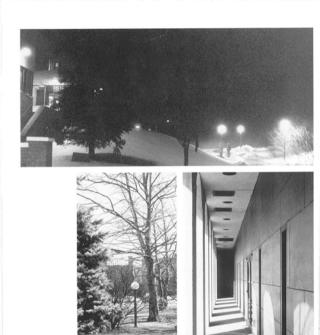

Winners of Western's Annual Pool and Ping-Pong Tournament were Ken Markovitz (upper left, page 116, pictured on the left) for pool and Ted Smith (upper left, this page, pictured on the right) for pingpong.

In memory of Dr. Lawrence Kershnar, who passed away suddenly on February 21, 1993, the Yearbook publishes the University's resolution written by Dean Walter Bernstein and Dr. John Caruso.

RESOLUTION HONORING PROFESSOR LAWRENCE KERSHNAR

- WHEREAS, Dr. Lawrence Kershnar served as Professor of Education at Western Connecticut State University from 1985 to 1993 where he distinguished himself as a teacher of graduate and undergraduate students, and
- WHEREAS, Dr. Kershnar's accomplishments included exemplary teaching, university service and extensive community based projects, including the Pinmsr Poject at Wesleyan University, Project Discovery, Science Horizons, Western's Center for Developmental Studies and membership in many professional organizations and
- WHEREAS, Dr. Kershnar's appreciation for the role of technology in education was reflected in his extensive knowledge of computers and his seminal work in the advanced technological classroom developed by IBM at Western, and
- WHEREAS, Dr. Kershnar dedicated his professional life to the field of education and the intellectual development of his students, therefore be it
- RESOLVED, That the Connecticut State University extends its deepest condolences to the family of Dr. Kershnar and to the Western Connecticut State University community on the untimely passing of their distinguished and respected colleague.

A memorial service was held on March 30 at Westside. Dr. Kershnar will be sorely missed and NOT forgotten. The Yearbook thanks Mrs. Kershnar for the photo.

"Frozen Angel's Tears"

Frozen angel's tears Cascade gently from beaven, blanketing the Earth, In a sheet of white.

Each tear different, Painstakingly crafted, Helps beautify the landscape, Ravaged by Fall's devastation.

I suppose if I were an angel, and saw that destruction below, I think, I too would cry, And my tears, frozen in mid-air, would gently cascade down to Earth.

Western men's tennis finished the season strong. After losing the first three matches, the squad won five out of their last six matches. "We started off against difficult reams," coach George McLean said, "but we came back by winning ... against respectable competition." Seandous were seniors. Toru Bruno and

Shawn Stillman, who both enjoyed 6-2 records.

Greek Council meetings, bake sales, hangin' out in front of the student center and chalking-in a parking lot Mona Lisa made April a month to remember.

WOMEN'S SOFTBALL

This year Western women's softball graund four seniors who lidd the groundwork for the current pengaram. According to coard, Alicia Orborn, Trith Blood, Stelly Neversity, Lits Concilio and Linda Baily provided a lot of Indenbilly and hand work out prograded schedule that included ten nationally ranked seems. Kept our of the EACA by tought compercion that year, the seam is moving in the right direction for the future. Two players were amend to the Coaches Ali-Sau Team Henther Stone and Lott Rushin. May was the month of honors and awards: at the Student Leadership Banquet (this page, left), the Honors Convocation (this page, right), and the Finning Ceremony for graduating nurses (page 155).

May was the month of fun; the Annual Spring Carnival in front of Fairfield Hall, oatmeal wrestling at Grasso Hall and the play, "Arnold," in the Rich Reimold Theater.

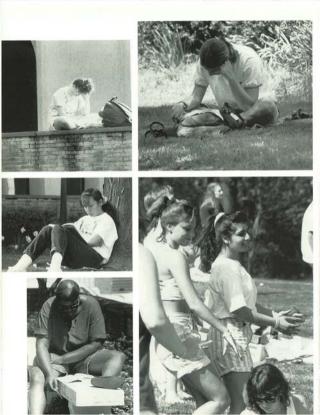

May was a month of studying and partying; finals and volleyball outside and Westfest.

Made many friends, strangers once all, a quick smile, a sthared class, a walk down a ball. Mushe we met in Finance, Maybe it was in Art.

Just trusted a little, Those inner walls fell, Drew these strangers in, Closer to my heart.

Our bonds grew stronger, Each playing our part, How soon it has to end, How short till we depart,

It took four years for us to become friends, Yes, it seems, we've reached the end.

Although many classes, I did try, Not one prepared me, To tell you, Goodbye.
