DANBURY STATE TEACHERS COLLEGE Nov. 23, 1955 Vol. 1 No. 1

## MUS ASSEMBLY

Next Tuesday, November 29, Berkshire Auditorium will be the scene of an assembly on behalf of the World University Service. The sponsor for the program is our own IRC.

The speaker will be Mr. Ambrose Short, New England Regional Secretary for MUS. A film will also be shown.

The assembly will take place during the 1:30 - 3:30 free time block. All college members are invited to attend.

## THANKSGIVING DEVOTIONAL

The Thanksgiving Devotional was held in the DTC auditorium Nov. 22nd. Those in charge of the program were: Connie Dilluvio, Oliver St. Jean and Patricia Bowen.

Invocation was given by Richard Montesi, President of SGA. Following the Invocation the student body joined in singing "We Gather Together."

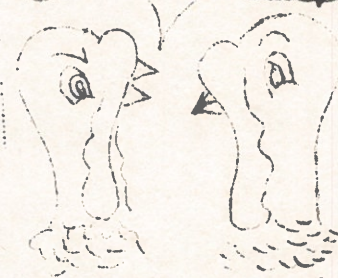

Miss Crozier spoke on the various different ways of celebrating holidays in foreign lands. Miss Crozier's talk was very interesting as she has visited the countries about which she spoke and participated in the holidays activities.

Sheila McBrinn read from Scripture and Connie Dilluvio delivered the Governor's Proclamation.

The Men's Glee Club, conducted by Mr. A. Vazzana and accompanied by Don. Hallquist, presented two hymns.

Robert Mellilo gave Benediction and the Devotional closed with the student body singing "America The Beautiful."

We'll be out of business soon if this do-it-yourself fad continues much longer!

Do-it-yourself Turkey Kit

Last night the girls at Fairfield Hall expectantly awaited the much-discussed turkey dinner. At long last they were able to dig in to the turkey, of course, with dressing, cranberry sauce, grape juice, creamed onions, peas, mashed potatoes, and rice and pumpkin pie. When it was finally over, the girls dragged their stuffed bodies away from the table, more thankful than ever for the good cooks and dietician of the dorm.

## SENIOR PROM TO BE HELD DEC. 10th

The Senior Class of DTC will hold their prom Dec. 10th, at the Ridgefield Community Center, in Ridgefield, Conn. This will be a semi-formal affair and bids will be out in the near future.

Arlene Amicone and John Korsnoros are the co-chairmen of the prom; Bernie Peterson is the publicity secretary and has announced that a sign-up sheet will be placed in the Hut. All students who will be attending the prom are asked to sign up as soon as possible.

The prom will have as its theme, "Winter," and decorations will be in silver and blue.

## SGA NOTES

At Monday night's meeting, Council voted to approve a plan for a bulletin board for Curley Hall. \$16.00 was set as the amount of refund on SGA dues to be given back to students who leave to college before the first day of the second semester.

Plans for the SGA Banquet were discussed. There are still some tickets available if anyone is interested.

## CURLY HALL TO HAVE BULLETIN BOARD

SGA, upon the request of Carole Quilty, publicity secretary, set up a committee to investigate the prices of a bulletin board for the Fut. It will operate much in the same manner as the one in the hall of Old Main. Notices from group secretaries and individuals may be deposited in a box and will be posted by Carole twice a day. This is part of Carole's plan to keep the students more informed and interested in our campus activities. This plan and the work she has done so far this year have certainly proven that she was an excellent choice for publicity secretary of SGA and that she has taken her duties seriously putting much more than the required amount of work into it.

## GLEE CLUB

On Monday evenings, the walls of DTC ring with the voices, raised in song, of the Men's Glee Club. Last year the Men's Glee Club was organized, under the direction of Mr. Vazzana. The original twelve members gave their first public performance on St. Patrick's Day, at the Kiwanis Club. This was followed by an appearance at the Beachcomber Dance, held at the Fut, and concluded the year by the performance at the Baccalaureate.

This year, the membership has doubled. Don Hallquist is the president, Ned Tarantino the cont'd next column

## TO THE STUDENTS

There is a table laden with turkey succulently browned, creamy mashed potatoes, piping hot rolls, tart cranberry sauce and crisp carrot and celery curls. On another table there are steaming coffee and luscious pumpkin and mince pies. Sounds wonderfully American, doesn't it? To us it's just another Thanksgiving dinner. If we lived in a European country, this dinner would be only a dream.

But what's a big dinner?

We can have a big dinner any night. However, we all have something to be thankful for. One thing we have to be thankful for is that we are not under Communistic rule. The Music Dept. presented a good farce on our presidential election. We all laughed, but let's face it--at least we have a choice. And we can limit the powers for the good of majority of people.

Even though seats at our table may be empty this year because their occupants are overseas, at least we can be thankful for their fight to keep our country free. Many service men will be coming home and find time and space in their hearts to give thanks to God that they could return.

The majority of us at DTC should be thankful that we have the opportunity to come to college to continue our education.

Remember, we will help to mold the next generation.

As we sit down to the table Thursday, we should all take at least one minute to give thanks and praise to the Almighty. Our dinner will wait.

Thyl Kaplin, Editor

treasurer and Charlie Saunders the librarian.

The Glee Club performed this year at the Music Dept. Banquet, at the Herrvall Community Center in New Milford, the Dormitory Open House, and the Thanksgiving Devotional Service.

Have a happy, healthy  
Thanksgiving!
