Teaching may be your great contribution to democracy!
Help train tomorrow's citizens!

Here are children working and building together.
Wouldn't you like to be building with them?

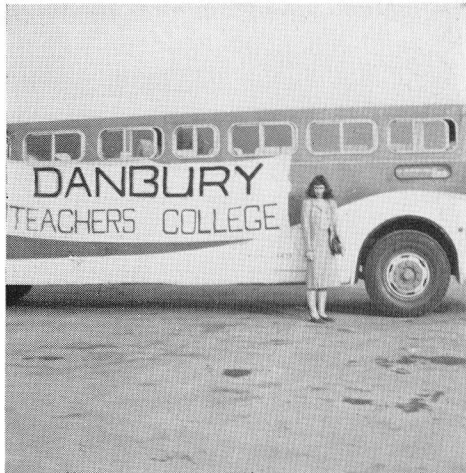

This is you after you have earned that B.S. degree.

Can you imagine a more satisfying career than teaching?

This little girl knows you are going to read her favorite poem.

These are happy youngsters. Help all Connecticut boys and girls
to enjoy the privileges which are rightfully theirs.

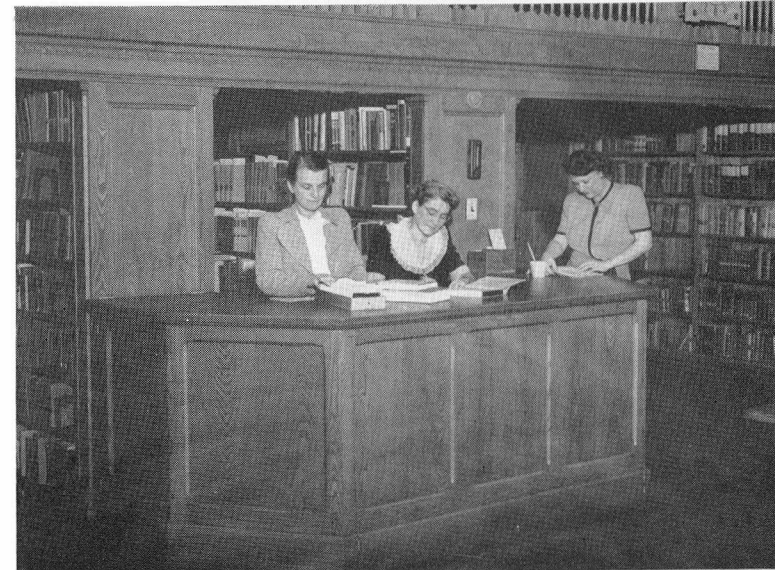

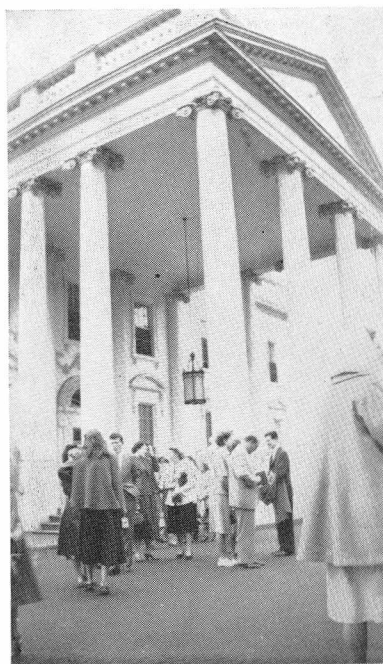

Ready to take off

Part of your education at Danbury State Teachers College, no matter which curriculum you select, consists of travel. You will enjoy these trips with your fellow students.

New York

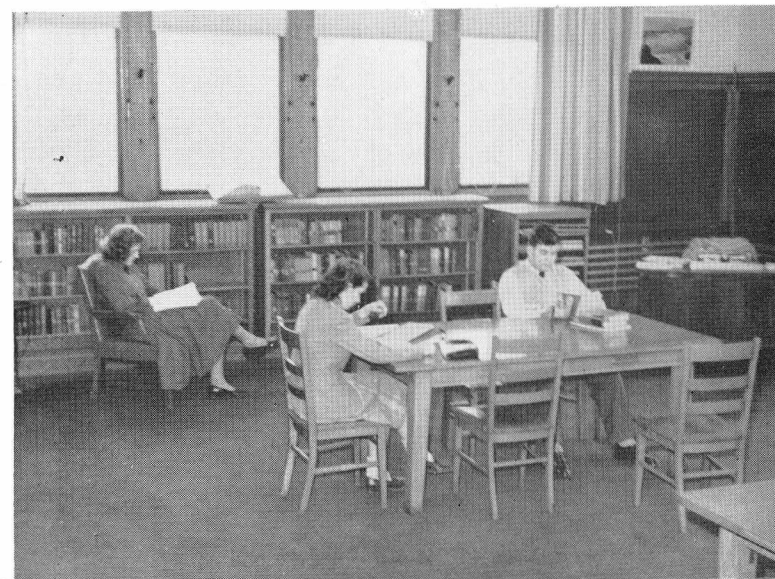

Washington

And this is the desk in the library where you will get your books.

and here is

One of the pleasant rooms where you will read them.

Enjoy a snack now and then at the Snack-Bar
sponsored by the Science Department.

What is college without a bull-session?

Formal College
Dances are part
of the Class ac-
tivities.

FAIRFIELD HALL

Here women students learn the pattern for gracious living and enduring friendships.

You may experience four years of happiness here.

Spacious council rooms provide a cheerful, leisure time activities and general get-togethers.

Men students enjoy the hospitality of the Dorm.

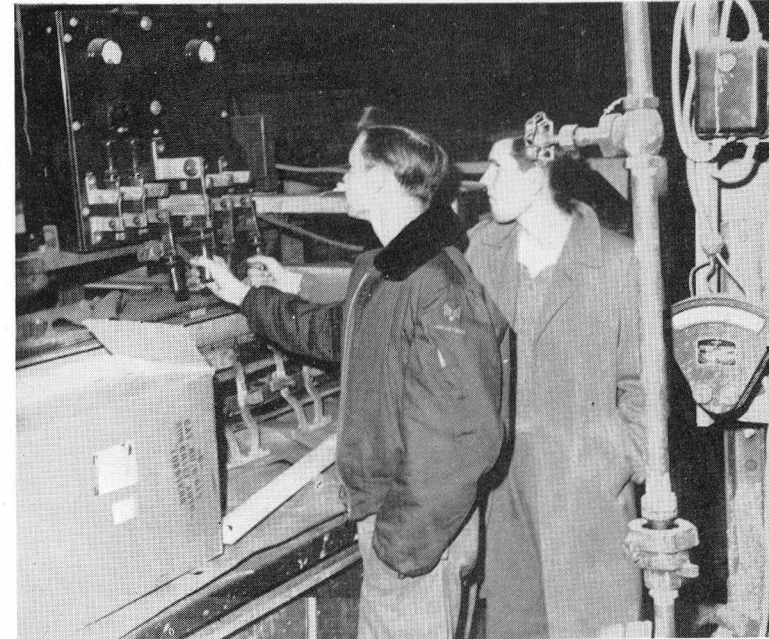

You, too, will enjoy the congenial and friendly atmosphere.

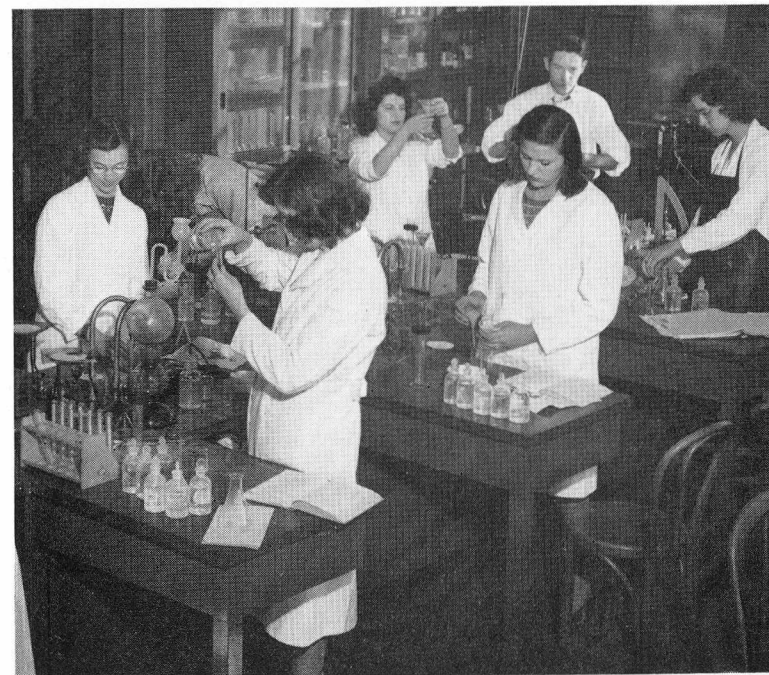

Your flair for interior decorating is expressed in a typical dormitory room.

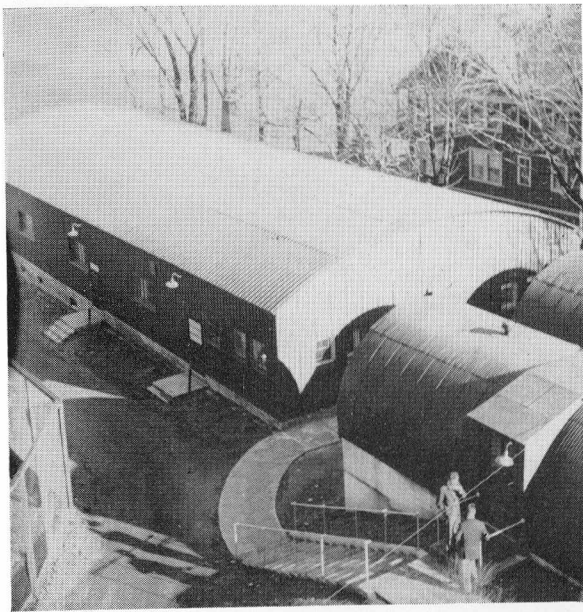

The "Town and Gown" Choir and Orchestra best personify
community and college cooperation.

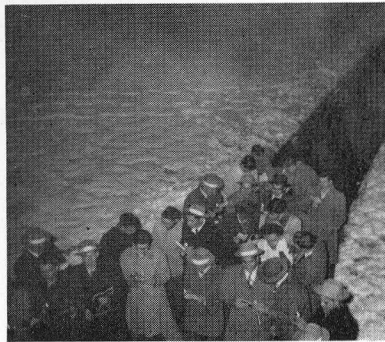

Actual experience is key to future success in engineering
and laboratory careers.
