The May, 1975 issue of CLIO marks the end of another year of CLIO publication for Phi Alpha Theta and the History Club. The success of this publication is due to the efforts of many. We, the members of Phi Alpha Theta, want to take this opportunity to extend our sincere thanks to the editors and writers who contributed their time and talents; to Dr. Leopold and Dr. Janick who have continually given time, encouragement and support to all our projects during the year; to Dr. Ruth Haas for her continued interest in and support of CLIO publications; to Ann, Bob, Kathy and Tom in the Publications Department, we couldn't have done it without your help; to all students and faculty members for their support of and contributions to CLIO; and, last but certainly not least, our Thanks and Congratulations to Alison Roth, President of Phi Alpha Theta (Sigma-Eta Chapter) for doing a fantastic job both as President and organizer of all Phi Alpha Theta sponsored events. May all her future endeavors be as successful as those undertaken during this past year.

Have a good summer. SEE YOU NEXT SEPTEMBER!
